Church: (559) 229-2915
Cel: (559) 284-3111

Join us next summer for a three week trek across the U.S. and Canada for the AEUNA Biennial conference and subsequent Mission Trip to Monson, Massachusetts; a 45 square mile town with one stoplight and home to one of the first hospitals specializing in working with the mentally disabled.

We will be working on homes of elderly and low-income residents, doing repair, painting, and light construction projects.

The cost for the trip will be \$700* for the three weeks. It will include travel, mission trip registration and the Biennial conference.

Students must be currently in or entering High School next year. Please fill out the attached release form and include a \$200 deposit for the trip. Please register before February 19th.

*Cost could go slightly up or down depending on the number of students attending. Price does not include food during our time on the road. Passports will be necessary to cross the border into Canada.

All photos are future depictions of past events.
